

Personal Data Policy

SHV Group AB values personal integrity.

Our processing of personal data is carried out in accordance with the requirements of the General Data Protection Regulation, GDPR (EU 2016/679).

Scope

Personal data refers to any kind of information that can directly or indirectly be attributed to a natural person, such as name, postal address, email address, telephone number, photo, next of kin, etc.

Processing of Personal Data

When Sibbhultsverken AB collects personal data, we inform about the purpose for which the data is requested. Personal data will not be stored longer than necessary for each respective purpose and the applicable archiving requirements.

The personal data collected is either employment- or contact-related in order to fulfil our role as an employer and as a customer/supplier/company.

Unless required by legislation, governmental regulations, or customer requirements, we do not disclose personal data to third parties. If a project or other activity requires the processing of personal data beyond this, Sibbhultsverken AB will obtain consent from the relevant registered individual beforehand.

Sibbhultsverken AB always strives to ensure that collected personal data is processed within the EU/EEA, and our own servers are located locally.

Data Protection Inquiries and Access to Information

We take all appropriate technical and organizational security measures required to protect personal data from unauthorized access, alteration, or destruction.

Registered individuals have the right to request access to, correction of, or deletion of personal data, etc. Registered individuals also have the right to file a complaint with the Swedish Authority for Privacy Protection (IMY) if they believe that their personal data has been mismanaged.
